YOGA SLIM 7 (14″)

SLEEK PERFORMANCE.

Learn more about the Lenovo™ Yoga™ Slim 7, a stylish 14″ laptop engineered with the advanced mobile performance of the latest 10th Generation Intel® Core™ processor. Power through anything with up to 14 hours of battery life; enjoy up to 4K clarity, and streamline your day with smart, time-saving features.

WHY YOU SHOULD BUY THE LENOVO YOGA SLIM 7 (14″)

Stylish design

Crafted from premium aluminum, the Yoga Slim 7 (14″) is available in a range of sophisticated colors including Slate Grey, alluring Orchid, and nature's neutral, Dark Moss. Opt for a textile cover on the Slate Grey model—wrapped in fire-resistant and stain-repellent fabric, it's designed to stand out with quiet confidence. Combined with up to 14 hours of battery, the Yoga Slim 7 will power you from work to play and back.

Advanced mobile performance

Smarter adapts to you with the advanced mobile performance of a 10th Generation Intel® Core™ processor featuring AI. Attention sensors register your absence when you step away, and instantly recognize your face the moment you return, for seamless login. Intelligent Cooling mode, co-engineered with Intel®, extends battery life for long days unplugged. Speak to voice assistant Alexa[1] above the lock screen, and more. Its artificial intelligence meets everyday commonsense.

Smoother graphics

10th Generation Intel® Core™ processors with Intel® Iris Plus graphics push a smoother, more detailed and vivid experience when streaming or editing videos. Or you can supercharge your laptop for work and play with the latest NVIDIA® MX graphics, for incredible HD photo and video editing, plus better gaming—all without compromising battery life.

Brilliant audiovisuals

Edged with razor-thin bezels, the 14″ display offers stunning clarity, color and detail, with up to 4K[2] resolution and 500 nits of brightness. Advanced HDR inspired by cinema technology gives your entertainment a boost with Dolby Vision™; and the front-facing Dolby Atmos® speaker system uses surround and height virtualizer technologies to create three-dimensional audio.

[1] Available in select markets.
[2] 4K only available on Slate Grey fabric-wrapped model; other models offer FHD.

PRELOADED SOFTWARE

- Lenovo Vantage
- Microsoft Office 2019
- McAfee LiveSafe™

1 Optional.
2 All battery life claims are approximate and based on test results using the MobileMark® 2014 ver 1.5 battery life benchmark test. Actual results will vary, and depend on numerous factors including product configuration and usage, software, operating conditions, wireless functionality, power management settings, screen brightness and other factors. The maximum capacity of the battery will naturally decrease with time and usage. See https://bapcocom/products/mobilemark-2014/for additional details.
3 Rapid Charge Pro: Charge 30 minutes in standby mode or while powered off, for up to 50% battery life based on test results using the MobileMark® 2014 ver. 1.5 battery life benchmark test. Requires a 95W power adapter.
4 With optional fabric cover.
5 Optional, available only on Slate Grey model.
6 Available in select regions; expected to be enabled in Spring 2020 with Lenovo Vantage auto-update when connected to WiFi.
7 The actual transfer speed of the USB 3.2 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, will be slower than a speed of 20 Gbit/s.

LENOVO SERVICES

Warranty Upgrades – On-site / In-Home Service
Maximizes PC uptime and productivity by providing convenient, fast repair services in your own home.

Accidental Damage Protection
Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops or damage to the integrated screen.

Warranty Extensions (1-to-3 Years Total Duration)
This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.

YOGA SLIM 7 (15.6″)

SLIM BUT STACKED WITH POWER.

Crafted from premium aluminum, the Lenovo™ Yoga™ Slim 7 combines an advanced 10th Generation Intel® Core™ processor with powerful NVIDIA® graphics options and up to 13 hours of battery life. A 15.6″ FHD display optimized with a Dolby® Atmos® Speaker System will take your entertainment to new heights. And make the most of your time and energy with a host of smart, time-saving features, such as motion sensors for automatic logout when you step away and a built-in digital voice assistant.

WHY YOU SHOULD BUY THE LENOVO YOGA SLIM 7 (15.6″)

Style and substance

The all-metal Yoga Slim 7 (15.6″) combines stylish design with up to 13 hours of battery. Available in Slate Grey, this sleek clamshell will go anywhere in style.

Smarter adapts to you

The triple threat of performance, connectivity, and entertainment enabled by 10th Generation Intel® Core™ mobile processors open more possibilities than ever before. Smart and intuitive, the Yoga Slim 7 puts you first. Have to step away? Motion sensors will automatically log you out—and when you return, Windows Hello logs you back in with just a smile. Speak to voice assistant Alexa above the lock screen, optimize battery life depending on your needs, and more.

Create, stream and more

Whether you're streaming or editing videos, integrated Intel® Iris® Plus graphics deliver a more detailed, vivid experience. Or you can supercharge your laptop for work and play with the latest NVIDIA® GTX or MX discrete graphics[1], accelerating the apps you use every day for smoother, faster performance.

Brilliant audiovisuals

Edged with razor-thin bezels, the 15.6″ display offers startling clarity with FHD resolution and 100% sRGB. Advanced HDR inspired by cinema technology gives visuals a boost with Dolby Vision™; and the Dolby Atmos® speaker system uses surround and height virtualizer technologies to create three-dimensional audio. Upgrade with an optional glass display.
